

The logo consists of the year '196' in a large, serif, dark blue font. The digits are enclosed within three separate, vertically aligned rectangular boxes. Each box has a gold-colored border and a subtle texture or pattern inside. The boxes are slightly overlapping, with '1' on the left, '9' in the middle, and '6' on the right.

Chestnut Mountain
February: 2022

TROOP 196

MARCH 2021 to FEBRUARY 2022

Crickets are interesting insects. They're only an inch long yet they can be heard throughout the forest by rubbing their wings together.

You can tell the temperature by listening to crickets. On warm nights, they chirp faster than on cool nights. If you count the number of chirps in 15 seconds and add 40 to it you'll get the temperature.

Let's think about why crickets chirp. It's their way of saying "Here I Am". Like crickets, each one of us has ways of saying "Here I Am". Some say it through sports, some in music, some in reading, some in art.

One way we all say "Here I Am" is through Scouting. When you wear your uniform you are showing everyone that you believe that it's important to be a good person. Let's think about the best way to say "Here I Am" -- it is by working hard, being kind, and being cheerful.

Next time you hear a cricket, try to remember it is saying "Here I Am" and think how you are saying "Here I Am" in your life!
